13. Please describe this person's greatest strengths as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- Able to present the material very clearly and concisely. Always came prepared to office hours and was able to answer all of the questions. Definitely the best TA that I've had!
- He provided good feedback on the homework assignments.
- He's very knowledgeable in the subject and is very patient with students like me.
- Michael is the reason I received 1/4 to 1/2 of all the points I received on my homework assignments. There is a strong correlation between my understanding of the material (and by relation, my performance on the homeworks) and how much I went to his office hours.
- Really helpful during OH and on Piazza, was able to explain fairly complicated concepts in a simple way and gave a lot of really good insight on the material.

14. Please describe this person's greatest weaknesses as a Instructional Assistant.
Please keep your comments constructive and professional, abiding by the Principles of Community

- Too nice: who holds office hours on Memorial Day or hangs around after class when it's not your office hours to answer questions??

15. Do you have any other comments to add to your evaluation?

Please keep your comments constructive and professional, abiding by the Principles of Community

- He always stayed after OH (and had a lot of them) to help students out and was also really helpful in giving insight on the HW problems. Really great TA.
- One of the best TAs that I've interacted with! I thought the way you handled questions about homework was perfect for somebody who's looking for some direction but doesn't want too many hints, and I thoroughly enjoyed your office hours because they made me think. Thanks also for timing your office hours so that they'd be useful for homework. For a pretty advanced class like this one with just one TA, I know how hard it is to have OH that go on for hours, so just want to say THANKS for your patience and for all the help!
- Quite possible the best TA I have had at UCSD
- Thank you
- Thank you for all of your help this quarter!
